

Our young and innovative company is looking for a

Cloud co-architect (m/f)

to start immediately or by agreement.

Key responsibilities:

In this role you will be responsible that our architecture fits the needs of our current and future business requirements and addresses all our security, data protection and scalability/performance topics. You bring your knowledge and experience into our development and lifecycle process and help us improving it actively. As in our team everybody is involved in all lifecycle steps you will get a good overview. Your expertise is needed in requirements engineering, software design, implementation and testing. Beside all this challenging tasks, we expect you to keep up with the latest technologies and frameworks. You will be working in Windisch, Switzerland.

The company:

coresystems is a young and innovative IT company with an international network of partners. **coresystems** is among the world's leading developers of SAP Business One applications. It also plays a pioneering role in cloud computing and in developing mobile applications. The company, currently counting over 80 employees, continually develops new products that help small and medium-sized companies add value to their day-to-day business.

Skills required:

- Good knowledge around Tomcat, Apache, Spring, Hibernate, JDBC, PostgreSQL
- Current protocols (SOAP, Json, XML, ...)
- Current technologies like WebServices, REST, Servlets
- Maven
- Experience in architecting large scaling internet applications
- Excellent problem solving skills
- Knowledge with test driven development is a plus
- Knowledge around security and data protection is a plus

As the ideal candidate, you must have worked as a software architect for at least 3 years. You are a team player, 25–40 years old and you are used to working independently. You perform well under pressure, are service-oriented and always put the customer first.

We offer an interesting and challenging job in a rewarding work environment. Attractive employment conditions are also on offer for the successful applicant.

If you are interested, please send your application, along with your salary expectations, to [coresystems ag | Human Resources | Frau Chantal Grenacher | Villa im Park | Dorfstrasse 69 | 5210 Windisch | Switzerland](#) or to hr@coresystems.ch. If you have any questions, please feel free to call us on +41 (0) 56 500 22 02.
